EFT/ERA enrollment glossary of terms

Provider information

- **Provider name** Complete legal name of institution, corporate entity, practice, or individual provider.
- Provider federal tax identification number (TIN) or employer identification number (EIN) – A federal tax identification number, also known as an employer identification number (EIN), is used to identify a business entity.
- National provider identifier A health insurance portability and accountability act (HIPAA) administrative simplification standard. The NPI is a unique identification number for covered healthcare providers. Covered healthcare providers and all health plans and healthcare clearinghouses must use the NPIs in the administrative and financial transactions adopted under HIPAA. The NPI is a 10-position, intelligence-free numeric identifier (10-digit number). This means that the numbers do not carry other information about healthcare providers, such as the state in which they live or their medical specialty. The NPI must be used in lieu of legacy provider identifiers in the HIPAA standards transactions.
- Provider contact name Name of a contact in provider office for handling EFT/ERA issues.
- **Phone** Number associated with contact person.
- Email address An electronic mail address at which the health plan might contact the provider.
