### Choose a Dental Choice or Dental Advantage plan

#### Dental Choice plans

- Gives your employees the option to see any dentist they want.
- Typically cost more than Dental Advantage plans.

#### Dental Advantage plans

- Gives your employees a robust network of more than 1,800 dentist providers in Idaho, Oregon, and Washington.
- Offers you the most value from your plan, it is important that your employees see Dental Advantage network dentists.

### Give your employees a voluntary dental option

Not looking to offer a dental plan, but want to give your employees a dental option? Voluntary Dental may be just what you need.

With this option, your employees pay the full premium as if they were buying their own dental plan, but they get plan benefits that typically come with a dental plan that you might offer as an employer.

Please note that there are additional guidelines and requirements for voluntary dental plans.
