

# Benefit Matters

For Employers

February 2017

## From Desk to Desktop

Our employer newsletter is going online

New email format provides many advantages:

**Timely:** Important information, delivered in a timelier manner.

**Easy to share:** Share with colleagues electronically and skip the trip to the office copier!

**Easy sign-up:** Your colleagues can easily sign up to receive the email (or opt out) at any time.

**Available on our website, too.** Recent issues will continue to be available on PacificSource.com.

No action is required  
on your part

The new *Benefit Matters* will be sent to the email address we have on file for you. Please note billing and enrollment messages will continue to be included with your billing statement.

Visit [PacificSource.com](http://PacificSource.com) >  
Employers > Employer Newsletter.

Note: The email will be sent through a third party service called Constant Contact. You may need to add this email address to your "white list" or contact your IT staff.
