Montana Large Groups | 51+

Decide on Dental

Good dental health can lead to better overall health. You can pair our dental plans with the health plans you offer your employees, or select dental-only.

Freedom to see any dentist

Our **Dental Choice** and **Choice Plus** plans give your employees the option to see any dentist they want. They're high-value options for employees who place a priority on choice.

Give your employees a Voluntary Dental option

Not looking to offer a dental plan, but want to give your employees a dental option? Voluntary Dental may be just what you need.

With our Voluntary Dental option, your employees pay the full premium as if they were buying their own dental plan, but they get benefits that typically come with a group plan.

Voluntary Dental is available with our non-Plus plans to groups with 10 or more enrolled employees. Additional guidelines and requirements apply.
