

Individual and Family Enrollment Form

Idaho

Thank you for choosing PacificSource!

You may also enroll online at PacificSource.com.

What you'll need to complete this enrollment form:

- A blue or black pen (if you're not filling it out electronically).
- Information, such as your old ID card, from any insurance company that currently or recently covered you or your family. This information is needed to determine creditable coverage.
- A copy of any documentation you may need to show legal guardianship.
- Your health insurance broker's information, if applicable.
- The name of your primary care provider for all family members enrolling.
- Your first month's premium payment (required before your policy will take effect).

You are eligible to enroll if:

- You are under age 65 or otherwise not eligible for Medicare.
- You and your dependents (if enrolling) are not receiving benefits under Medicare Part A, Medicare Part B, nor enrolled in a Medicare Choice or Advantage plan.
- You are a resident of the state of Idaho, you do not have residency status in any other state, and can provide satisfactory proof of current Idaho residency. An individual who intends to reside in Idaho may submit an application for insurance but would not be eligible to begin coverage prior to the individual physically residing in Idaho.
- Your spouse/domestic partner (if applicable) is your legal spouse/domestic partner.
- Your children (if applicable) are your natural or adopted children, under age 26, or you are their legal guardian.
- Your employer will not be paying, or reimbursing you, for any part of the premium. You could receive reimbursement if your employer offers an individual coverage health reimbursement arrangement (ICHRA).

Please note: If you are eligible for federal financial assistance, you must apply for coverage through Your Health Idaho at YourHealthIdaho.org.
