Dental plans to support your whole health

Your choice: combine a dental plan with your health plan, or select dental-only.

Choose a plan on our Dental PPO network

With Dental PPO plans, you'll have access to a robust network of more than 1,825 dental providers at more than 1,500 locations in Idaho and Oregon. It's important that you see dentists in the Dental PPO network. Doing so maximizes your benefits and minimizes what you pay. Find in-network dentists at [PacificSource.com](https://www.pacificsource.com).

Important terms to know when shopping for dental plans

Network: A group of dental providers you must choose from in order for the plan to pay at the in-network benefit level.

Annual maximum benefit: The most our plan will pay in a calendar year for adults 19 and older.

Annual deductible: The amount you'll need to pay in a calendar year before the plan pays for covered nonpreventive dental services.

Pediatric out-of-pocket maximum: The most you'll pay in a calendar year for enrolled kids through age 18.

Adult exclusion period: The amount of time members 19 and older will need to wait prior to receiving some dental services. Wait periods may be waived based on prior coverage.
