

Gender Affirming Care Team

The Gender Affirming Care Team helps our transgender and gender-diverse members and their providers navigate gender-affirming care services. The team includes trained staff who understand the needs of transgender and gender-diverse members.

Gender-affirming support services

Here are some examples of gender-affirming support services:

- Surgery
- Hormone therapy
- Hair removal
- Voice therapy
- Mental and behavioral healthcare
- And more

How the Gender Affirming Care Team can help

The Gender Affirming Care Team can help members to:

- Understand their benefits related to gender-affirming care
- Find gender-affirming medical and behavioral health providers
- Access community resources related to gender-affirming care
- Navigate gender-affirming treatment and coordinate care

The Gender Affirming Care Team can also help members and providers understand the authorization process.
