

Voyager

Preferred Provider Organization (PPO)

Aetna's PPO network includes more than 1.5 million in-network healthcare providers.

- **Voyager** gives members access to care across the Northwest.
- Beyond Oregon, Idaho, Montana, and Clark and Cowlitz Counties in Washington, members can see providers at in-network rates through a partnership with **Aetna Signature Administrators®**. You can search the Aetna provider directory at [Aetna.com/asa](https://www.aetna.com/asa).

More than 111,000 providers you know and trust, including:

This is not a complete list of providers for your state, and in-network availability is based on member's plan and network. Providers listed were accurate at the time of printing.

Provider totals based on network reports as of May 2025.

*Members getting care in Washington state have in-network access to contracted providers through PacificSource in Cowlitz and Clark Counties, and **Aetna's PPO providers through Aetna Signature Administrators** in all other Washington counties.

Plan highlights:

- + **In-network providers nationwide**
- + **Broadest choice of doctors and facilities**
- + **Out-of-network provider coverage**
- + **Specialist care without a referral**

Is your doctor in the Core network?
