

Individual and Family Enrollment Form Idaho

Thank you for choosing PacificSource!

You may also enroll online at PacificSource.com.

What you'll need to complete this enrollment form:

- A blue or black pen (if you're not filling it out electronically).
- Information, such as your old ID card, from any insurance company that currently or recently covered you or your family. This information is needed to determine creditable coverage.
- A copy of any documentation you may need to show legal guardianship.
- Your health insurance broker's information, if applicable.
- The name of your primary care provider for all family members enrolling.
- Your first month's premium payment (required before your policy will take effect).

You are eligible to enroll if:

- You are under age 65 or otherwise not eligible for Medicare.
- You and your dependents (if enrolling) are not receiving benefits under Medicare Part A, Medicare Part B, nor enrolled in a Medicare Choice or Advantage plan.
- You are a resident of the state of Idaho, you do not have residency status in any other state, and can provide satisfactory proof of current Idaho residency.
