

Notice of Change to Your Medical and Pediatric Dental Benefits

Your Plan may change in 2021 to comply with the Affordable Care Act (ACA), state legislation or PacificSource best practices. The following outline summarizes the changes and the reasons they are occurring.

Member Handbook Changes

Section	Summary of Change	Why are these changes occurring?
Entire Handbook	Format changes have been made throughout. These are not material changes but have changed the layout of this document.	PacificSource best practices.
Prescription Drugs	Formulary Exception and Coverage Determination Process – Updated exception criteria to include documented intolerance or failure of the formulary alternatives for a submitted diagnosis.	PacificSource best practices.
Covered Expenses - Professional Services	The plan covers nurse home visiting services for newborn children up to the age of six months when provided by an Oregon Health Authority approved in-network provider.	Updated to meet state requirement.

Pharmacy Benefit Changes

Section	Summary of Change	Why are these changes occurring?
Covered Expenses - Prescription Drugs	If a third party co-payment assistance program (manufacturer coupons or rebates) is used for prescription medications, the amount will not be credited toward the deductible or out-of-pocket limit.	Updated to meet federal requirement.

Pediatric Dental Changes

Section	Summary of Change	Why are these changes occurring?
Covered Expenses - Class I Services	Language amended to clarify and align dental terminology and coverage for a bitewing set, which is covered once in a six month period.	Administrative clarification.
Covered Expenses - Class II Services	Benefits for a filling on a tooth surface or three or more tooth surfaces are covered and limited to once every 24 months instead of every year.	Core benefit change.
Covered Expenses - Class III Services	Added language to clarify the completion date for crowns, onlays, bridges is the cementation date (seat date) regardless of the type of cement utilized.	Administrative clarification.
