2022 Health Plans for Idaho Large Groups | 51+

PacificSource Health Plans is a **not-for-profit community health plan**. We do not answer to shareholders, but to members, providers, producers, and employers—the people who depend on our products and services.

## Here to help

**Since our founding in 1933,** we've learned a lot about keeping members and employers satisfied. Year in and year out, we've invested in the relationships and technologies that mean a better experience for all.

Our staff is right here in the Northwest. We answer member calls in less than 30 seconds on average, according to internal call reports. And we're committed to doing what it takes to keep clients happy.

That's our employer satisfaction rating, based on surveys conducted Q1 of 2021. The remaining 1.4%? We're working on it.

# Benefits that go **beyond what's required**

#### **Expanded telehealth coverage**

Members can see a doctor without leaving home—including behavioral health visits for adults. Your employees get the care they need, where and when they need it.

#### No referrals needed with any plan

Our plans don't require members to visit a primary care doctor before seeing a specialist. (Some specialists may have their own referral requirements.)

#### Pay-nothing preventive care and preventive drugs

We're pleased to offer \$0 copays on:

- Well-baby and well-child care
- Annual checkups
- Prenatal consultations
- Preventive mammograms and colonoscopies
- Immunizations
- Dozens of preventive drugs—including 82 more than the law requires

#### **Human service**

No automated phone trees or offshore call centers

#### Client service that puts you first

You'll have a dedicated representative who's focused on you, your plan details, and helping you control costs.

## PacificSource Health Plans covers more than 226,000 members and their families in the Greater Northwest.

Our business clients include companies working in a variety of industries. That's experience we can leverage to help you.

## Decide on dental

#### Good dental health can lead to better overall health. You can group our dental plans with your health plans, or select dental-only.

#### Dental options to fit your company's needs

Our Dental Choice and Choice Plus plans allow your employees to visit any dental provider, while our Dental Advantage plans feature different benefit levels for in- and outof-network dental visits.

With our Voluntary Dental option, your employees pay the full premium as if they were buying their own dental plan, but they get plan benefits that typically come with a dental plan that you might offer as an employer.

Please note that there are additional guidelines and requirements for voluntary dental plans.
