### Eligibility and cost

All eligible students are automatically enrolled and charged on their student accounts for the Willamette student health insurance plan every academic year.

If you have comparable coverage under a different insurance company and DO NOT want to take part in the Willamette student insurance plan, you must complete the online waiver process, or you will be automatically enrolled and premium will be charged to your student account.

If you plan to waive the Willamette student health insurance plan, visit [Waive.PacificSource.com/WILL](https://Waive.PacificSource.com/WILL). The fall waiver deadline is September 12, 2022. Eligible dependents of those enrolled in the plan may participate on a voluntary basis. Contact PacificSource at [PacificSource.com/Willamette](https://PacificSource.com/Willamette) for enrollment and payment information.

Please view a complete Student Guide at [PacificSource.com/Willamette](https://PacificSource.com/Willamette) for full details.
