

# G0033731 Oregon Health & Science University Oregon Fully Insured Student Health Coverage Notice of Change to Your Medical and Dental Benefits

Your Plan may change in 2022 to comply with the Affordable Care Act (ACA), state legislation or PacificSource best practices. The following outline summarizes the changes and the reasons they are occurring.

Member Handbook Changes		
Section	Summary of Change	Why are these changes occurring?
Covered Services – Preventive Care Services	The minimum age limit for colorectal cancer screenings has been lowered to age 45 as recommended by the USPSTF guidelines. For more information see your handbook.	Updated to meet federal guidelines.
Covered Services – Professional Services Handbook and Summary	Chiropractic manipulation/ spinal manipulation are limited to 20 visits per year and acupuncture is limited to 12 visits per year.	Updated to meet state requirements.
Covered Services – Professional Services – Biofeedback	Language added to clarify the plan covers biofeedback services to treat tension or migraine headaches, urinary incontinence, or other conditions for which biofeedback is not deemed experimental, investigational or unproven.	Updated for clarification.
Excluded Services	Language added to clarify localized delivery of antimicrobial agents into diseased crevicular tissue via controlled release vehicle is not covered.	Updated for clarification.
Prior Authorization	Claims for treatment requiring prior authorization that was not obtained ahead of time must be submitted within 60 days and will be subjected to retrospective authorization. Claims not submitted within 60 days or if the review determines the expenses were either not covered by the plan or were not medically or dentally necessary, members will be held responsible for the expense.	Updated for clarification.
Becoming Covered	A subscriber's grandchild/children are not eligible for coverage unless child/children is court-ordered or legally adopted by the subscriber.	Updated for clarification.

Medical Benefit Changes		
Section	Summary of Change	Why are these changes occurring?
Covered Services – Telehealth	In-network telehealth visit copay has been reduced to \$0 (previously \$10) for non-HSA plans.	Core benefit change.

Vision Benefit Changes		
Section	Summary of Change	Why are these changes occurring?
Covered Services – Vision	Visual field charting, for members age 19 and older is now a covered service.	Core benefit change.

## Pediatric Dental Changes- Through age 18

Section	Summary of Change	Why are these changes occurring?
Class II Services – Pediatric Dental	Composite Resin filling payments are no longer limited to the amount that would be paid for Amalgam.	Core benefit change.
Class II Services – Pediatric Dental	Palliative (emergency) treatment of dental pain is a covered service.	Prior to 2022 this information was noted on the plan summary.

## Pharmacy Benefit Changes

Section	Summary of Change	Why are these changes occurring?
Throughout Handbook and Plan Summary	Language was updated to clarify how out-of-network and in-network pharmacy accumulators are applied to the plan's out-of-pocket limit. See plan summary for additional information.	Administrative clarification.
Throughout Handbook and Plan Summary	Formulary prescription insulin is not subject to a deductible and may not exceed \$75 per 30 day supply. Previously the benefit applied to the plan's deductible, copay, and/or coinsurance.	Updated to meet state requirement.

## Dental Changes- Age 19 and older

Section	Summary of Change	Why are these changes occurring?
Class II Services	Composite Resin filling payments are no longer limited to the amount that would be paid for Amalgam.	Core benefit change.
Class II Services	Palliative (emergency) treatment of dental pain is a covered service.	Prior to 2022 this information was noted on the plan summary.
