

Voyager

Preferred Provider Organization (PPO)

Aetna's PPO network includes more than 1.5 million participating healthcare providers.

- **Voyager** gives members access to care across a four-state provider network.
- Beyond the greater Northwest, members can access care through our collaboration with **Aetna Signature Administrators®**

- + **Broadest choice of doctors and facilities**
- + **In-network providers nationwide**
- + **Out-of-network provider coverage**
- + **Specialist care without a referral**

More than 111,000 providers you know and trust, including:
