for international and INTO OSU students

### Your student health insurance plan offers:

- Coverage at an affordable rate
- Access to a wide network of providers locally and across the nation
- Wellness-focused coverage
- Member-focused customer service

### Eligibility and cost

Oregon State University requires all international students registered for a minimum of one on-campus credit to enroll in the OSU Student Health Insurance Plan. All eligible students are automatically enrolled and charged for the OSU Student Health Insurance Plan. Eligible dependents of those enrolled in the plan may participate on a voluntary basis.

If you have equivalent or better coverage under a different insurance company and DO NOT want to take part in the OSU Student Health Insurance Plan, you must complete the waiver process as established by the school. If you DO NOT complete the waiver process or your insurance does not meet the waiver requirements, you will be automatically enrolled and the premium will be charged to your student account.

To waive the OSU Student Health Insurance Plan, visit: [StudentHealth.OregonState.edu](http://StudentHealth.OregonState.edu).
