

The **Summary of Benefits and Coverage (SBC)** document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is **only a summary**. For more information about your coverage, or to get a copy of the complete terms of coverage, go to [PacificSource.com/studenthealth/](https://PacificSource.com/studenthealth/). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
<b>What is the overall <u>deductible</u>?</b>	In-network provider: \$500 individual   <u>Out-of-network provider</u> : \$2,250 individual	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. <u>Preventive care</u> and other services listed below with ' <u>deductible</u> does not apply'.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://Healthcare.gov/coverage/preventive-care-benefits/">Healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	In-network provider: \$6,000 individual   <u>Out-of-network provider</u> : \$18,000 individual	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="https://providerdirectory.PacificSource.com/Commercial/?nPlan=Navigator">providerdirectory.PacificSource.com/Commercial/?nPlan=Navigator</a> or call 1-888-977-9299 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
