Eligibility and cost

All undergraduate students are required to carry medical insurance comparable to that offered under the school’s student health insurance plan. Unless specifically waived by the waiver deadline, with proof of coverage with another plan, students will automatically be covered under the student health insurance plan, and the premiums will be charged to their account for the fall and spring semesters. Students who want to waive coverage for the school year must do so per semester. Coverage may be waived online through [Waive. PacificSource.com/univ](https://PacificSource.com/univ) by **August 30, 2025, for Fall** and **January 17, 2026, for Spring**.

Graduate students are also eligible to purchase coverage. To enroll, visit [Enroll. PacificSource.com/UP](https://PacificSource.com/UP). Payment is due at time of enrollment. Only students taking courses that meet the full-time requirement of 6 credits or more are eligible to purchase graduate student health insurance. Enrollment periods are listed in the table below. Fall enrollment deadline is **September 15, 2025**.

Please note: Graduate students must re-enroll in coverage each semester. Premium is paid directly to PacificSource at time of enrollment via credit card, debit card, or bank withdrawal.
