2025/26 Student health insurance

For international students

Your student health insurance plan offers:

- Coverage at an affordable rate
- Access to a wide network of providers locally and across the nation
- Member-focused customer service

Eligibility and cost

All eligible students are automatically enrolled and charged for the Willamette student health insurance plan every academic year.

If you have comparable coverage under a different insurance company and DO NOT want to take part in the Willamette student insurance plan, you must complete the waiver process as established by the Willamette University Office of International Education. If you DO NOT complete the waiver process or your insurance does not meet the waiver requirements, you will be automatically enrolled and premium will be charged to your student account.

To waive the Willamette student health insurance plan, visit: my.Willamette.edu/site/health/insurance/international. The Fall waiver deadline is September 5, 2025. F-2 and J-2 dependents are also required to enroll or successfully receive a waiver.

Please view a complete Student Guide at PacificSource.com/Willamette for full details.
