Care Access and Handoff Request

A provider or facility you use is leaving our network. Even though their contract is ending, we want to make sure your care continues without problems. Please fill out the attached Care Access and Handoff Request Form so we can:

1. **Check if you qualify to keep seeing this provider**—for example, if you are pregnant, being treated for a serious illness, or healing from surgery.
2. **Approve more visits at your in-network benefit level** for a short time (up to 90 days, or longer in some cases) while you finish treatment or move to another provider.
3. **Assign someone (nurse case manager or care navigator) to help** with medical records, making appointments, transportation, and support during the change.

What you need to do:

- Fill out **Sections A–D** on the next page with your treatment details.
- Sign **Section F** and make sure the form is complete. Missing information may cause delays.
- Return the form **within 90 days** of the date on the provider termination notice we sent you.
- Send the completed form to by secure portal upload (InTouch), fax, or mail (instructions are on the next page).
