

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <u>http://PacificSource.com/ohsu/</u>. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary <u>http://www.dol.gov/ebsa/healthreform</u> or call 1-888-977-9299 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	JBT Health and Wellness Center: \$0 person   Tier Two <u>In-network provider</u> : \$300 person   <u>Out-of-network provider</u> : \$600 person	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. JBT Health and Wellness Center services and Tier Two In-network provider preventive care. Rx drugs. Vision age 18 and younger - Participating: vision exam and hardware. Non-participating: 1st \$40 vision exam and 1st \$75 vision hardware. Dental age 18 and younger - Participating provider dental expenses.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	JBT Health and Wellness Center: \$0 person   Tier Two <u>In-network provider</u> : \$6,000 person   <u>Out-of-network provider</u> : \$12,000 person	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket</u> <u>limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See http://providerdirectory.PacificSource.com/?nPlan=P SN or call 1-888-977-9299 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in the Tier One <u>network</u> . You pay more if you use a <u>provider</u> in the Tier Two <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a **<u>deductible</u>** applies.
