**Important Information Regarding EFT/Direct Deposit Reimbursement**

(Please read before signing Authorization Agreement form.)

- Participants who wish to have their reimbursement checks deposited directly into their bank account must complete an Authorization Agreement for EFT/Direct Deposit Form, and mail it to PacificSource Administrators with their voided check.
- If you are currently enrolled in a Flexible Spending Account (FSA), the information will be entered and there will be a ten-day waiting period from the time PacificSource Administrators receives the authorization until it takes effect.
- If you are a new enrollee in a FSA, your EFT information will be added after we receive and process your enrollment information. The ten-day waiting period begins the day you're entered into our system. Physical checks will be issued during that time. Claims will not be held for direct deposit.
- Once you agree to the EFT/Direct Deposit process, all reimbursement transactions will be in this format until we receive your written request to cancel the process.
- No written notice of EFT/Direct Deposits will be sent.
