

The Incentive Drug List is offered to select large employer groups. The drugs listed below are available for the incentive copay shown on your policy or pharmacy summary of benefits. This is a partial list of covered drugs, and includes only those offered at the incentive copay rate. A full list of covered drugs can be found on our website at PacificSource.com/drug-list.

If you are taking a drug for a chronic condition and the drug is not listed below, consider asking your doctor about switching to one of these incentive alternatives to reduce your out-of-pocket costs. Show your PacificSource ID card each time you purchase prescriptions at an in-network pharmacy to ensure you're receiving the best benefit.

Unless otherwise noted, incentive drugs are limited to short-acting drugs. Long-acting drugs, transdermal patches, suspensions, compounds, and injectable drugs are not typically on the Incentive Drug List.
