2019 Dental Plans for Montana Individuals and Families
Good dental health can lead to better overall health. You can group our dental plans with your health plans, or select dental-only.

Freedom to see any dentist

Our Dental Choice plans give you the freedom to see any dentist you choose. Since there isn’t a network, there is no need to check whether a dental provider is in-network.

What’s covered?

Plans are available statewide through the Health Insurance Marketplace and direct with PacificSource. Below is a brief list of services and treatments most commonly asked about.

Go to PacificSource.com/find-an-individual-plan for details or to see a plan’s Summary of Benefits.

What’s covered?

- Exams and X-rays
- Dental cleanings (prophylaxis or periodontal maintenance)
- Fluoride applications
- Sealant on bicuspids and permanent molars (kids through age 18 only)
- Brush biopsies

Class II: Basic Services

- Simple extractions
- Periodontal scaling and root planning and/or curettage
- Full mouth debridement
- Fillings

Class III: Major Services

- Complicated oral surgery
- Endodontic (pulp therapy and root canal therapy)
- Periodontal surgery
- Full, immediate, or overdentures
- Crowns and bridges
- Child orthodontia (medically necessary only; all plans; kids through age 18)

Annual maximum benefit: The most our plan will pay in a calendar year for adults 19 and older.

Annual deductible: The amount you’ll need to pay in a calendar year before the plan pays for covered non-preventive dental services.

Pediatric out-of-pocket maximum: The most you’ll pay in a calendar year for enrolled kids through age 18.

Adult waiting period: The amount of time members 19 and older will need to wait prior to receiving some dental services. Wait periods may be waived based on prior coverage.
