**Voluntary Dental**

Give your employees a voluntary dental option.

Dental Choice plans give your employees the option to select a dental plan that works best for them and their families. Each Dental Choice plan has different covered services and exclusions.

Dental Advantage plans give your employees access to a national network of dentists. Idaho, Oregon, and Washington. It’s important that you see a dentist who is in your network for service to be covered.

Dental Advantage Plus plans give your employees access to a national network of dentists. Any provider can be seen on an out-of-network basis, but deductibles and coinsurance rates will apply.

Dental Advantage Essentials plans are not available in all areas. These plans cost less because employees and their chosen primary care dentist work together for optimal care.

Dental Advantage Essentials Plus plan is purchased as a standalone plan. When grouped with a medical plan, all dental plans are available.

* Additional eligibility requirements may apply. See a brief summary of more details, contact us at ors-sales@pacificsource.com or search small group plans at PacificSource.com.
