2022 Health Plans for Montana Individuals and Families
The kind of help you’d expect from a friend.

At PacificSource, member service is more than professional—it’s personal.

What’s more, it’s local. The people who help you are right here in the Northwest. We answer your calls in less than 30 seconds on average, according to internal call reports. And we’re committed to going beyond what’s required to make sure you’re satisfied.

PacificSource is a not-for-profit community health plan. We do not answer to shareholders but to members, providers, producers, and employers—the people who depend on our products and services.
Your healthcare coverage, optimized.

A unique, not-for-profit partnership
PacificSource is different: An experienced, local health plan working hand in hand with highly rated local providers to deliver exceptional member experience.

Integrated care that revolves around members
This patient-centered approach is enabled by close collaboration with our provider partners, supported by best-in-class data analytics.

High-value care and lower costs
We strive to compensate providers based on quality of outcomes and overall value—not volume.

Ongoing investment in community health
As a not-for-profit insurer, PacificSource continually invests in our own neighborhoods, through financial aid and access to healthcare for diverse populations and those most in need.
Benefits that go beyond what’s required

**No referrals needed** with any plan
Our plans don’t require members to visit a primary care doctor before seeing a specialist. (Some specialists may have their own referral requirements.)

**Pay-nothing preventive care** and preventive drugs
We’re pleased to offer $0 copays on:
- Well-baby and well-child care
- Annual checkups
- Prenatal consultations
- Preventive mammograms and colonoscopies
- Immunizations
- Dozens of preventive drugs—including 82 more than the law requires

Help with Health Savings Accounts (HSA)

When you’re ready to decide, you’ll see two types of plans available: HSA-qualified and Non-HSA qualified.

All our health plans include coverage for preventive care, $0 annual physicals from in-network providers, and most vaccinations.

**Non-HSA**

- **Non-HSA plans** allow you to use some benefits for a copay prior to meeting your deductible (such as primary care, urgent care, or pharmacy).

---

**HSA**

- **HSA-qualified plans** help you save for healthcare expenses like deductibles and coinsurance. The plans require that all major benefits be subject to your deductible.

- With HSA plans, you’ll set up a dedicated bank account, contributions to which are 100% tax deductible (up to a maximum), like an IRA. Another benefit: Withdrawals from your HSA account to pay for qualified medical expenses are tax-free.
