Decide on Dental

Good dental health can lead to better overall health. You can pair your dental plans with the health plans you offer your employees, or select dental-only.

Choose a Dental Choice or Dental Advantage plan

- **Dental Choice** plans give your employees the option to see any dentist they want. It's a high-value option for employees who place a priority on choice.
- **Dental Advantage** plans give your employees access to a network of more than 1,800 dental providers in Idaho and Oregon. In order to get the most value from your plan, it is important that your employees see Dental Advantage network dentists.
