

## Beyond what's required

2023 Health Plans for Montana Large Groups | 51+

### Here to help

Since our founding in 1933,

we've learned a lot about keeping members and employers satisfied. Year in and year out, we've invested in the relationships and technologies that mean a better experience for all.

Our staff is right here in the Northwest. We answer member calls in less than 30 seconds on average, according to internal call reports. And we're committed to doing what it takes to keep clients happy.

PacificSource is a **not-for-profit community health plan**. We don't answer to shareholders, but to members, providers, producers, and employers—the people who depend on our products and services.

# Health plans that focus on the right things: **members**, **providers**, and **communities**

#### A unique, not-for-profit partnership

PacificSource is different. We're a local health insurer that works closely with highly rated providers to deliver exceptional member experience.

### Integrated care that revolves around members

This patient-centered approach is enabled by close collaboration with our provider partners, supported by best-in-class data analytics.

#### High-value care and lower costs

We strive to compensate providers fairly, based on quality of outcomes and overall value—not volume.

#### Ongoing investment in community health

As a not-for-profit insurer, PacificSource continually invests in our own neighborhoods, through financial aid and access to healthcare for diverse populations and those most in need.

98%

That's our average employer satisfaction rating, based on surveys conducted March 2021 – February 2022. The remaining 2%? We're working on it.

## Benefits that go beyond what's required

#### **Expanded telehealth coverage**

Members can see a doctor without leaving home. Your employees get the care they need, where and when they need it.

#### No referrals required with any plan

Our plans don't require members to visit a primary care doctor before seeing a specialist. (Some specialists may have their own referral requirements.)

#### No-cost preventive care and preventive drugs

We're pleased to offer \$0 copays on:

- Well-baby and well-child care
- Annual checkups
- Prenatal consultations
- Preventive mammograms and colonoscopies
- Immunizations
- Dozens of preventive drugs—including 82 more than the law requires

#### **Human service**

No automated phone trees or offshore call centers.

#### Client service that puts you first

You'll have a dedicated representative who's focused on you, your plan details, and helping you control costs.

### PacificSource Health Plans covers more than 234,000 members and their families in the Greater Northwest.

## Decide on dental

## Good dental health can lead to better overall health.

You can group our dental plans with your health plans, or select dental-only.

## Dental options to fit your company's needs

Our Dental Choice and Choice Plus plans allow your employees to visit any dental provider.

With our Voluntary Dental option, your employees pay the full premium as if they were buying their own dental plan, but they get benefits that typically come with a group plan.

Voluntary Dental is available with our non-Plus plans to groups with 10 or more enrolled employees. Additional guidelines and requirements apply.
