Good dental health can lead to better overall health. You can pair our dental plans with the health plans you offer your employees, or select dental-only.

Choose a Dental PPO plan
With a Dental PPO plan, members have access to a robust network of 1,600 dental providers at more than 950 locations in Washington. It’s important that members see Dental PPO participating providers. Doing so maximizes their benefits.

Find dentists who accept the Dental PPO plan at PacificSource.com.

Our dental plans are available for purchase by businesses located in Clark, Pierce, Spokane, and Thurston counties.

Give your employees a Voluntary Dental option
Not looking to offer a dental plan, but want to give your employees a dental option? Voluntary Dental may be just what you need.

With this option, your employees pay the full premium as if they were buying their own dental plan, but they get benefits that typically come with a group dental plan.

Voluntary Dental is available with Family and Adult Dental PPO plans, excluding plans with “Plus” in the name. Ten or more employees must enroll, and additional guidelines and requirements apply. Please contact us for details.
