

Navigator member guide

Welcome to Navigator: cost-effective care coordination that puts you at the center. We created this guide to help you use your Navigator plan and get the most value from your benefits. You'll get things you might not expect—including live, local telephone support and a wide range of health and wellness extras.

Members first

Your member ID

You'll receive a PacificSource member ID by mail once your enrollment application has been processed. Use it when you visit a doctor's office or pharmacy to verify your plan and benefits. You can print a member ID from our member portal, InTouch. You can also view your ID on your mobile device in the MyPacificSource app.

Finding a doctor

Your Navigator plan lets you get care across our four-state provider network. Beyond the Greater Northwest you can get in-network care through our partners, First Health Network® and First Choice Health™ (Alaska).

Visit our website to search for a doctor or facility by name, specialty, and location. To maximize your benefits and minimize your cost, search within the **Navigator** network.

Your plan also pays a portion of the charges when you see out-of-network providers, usually after a separate copay (or your cost share) and deductible. Check your Benefit Summary for details.

Prescriptions and pharmacies

To find an in-network pharmacy, visit [PacificSource.com](https://www.pacificsource.com) (select Members > Prescription Drug Information) or [Caremark.com](https://www.caremark.com). Log in to InTouch to see a list of your current prescriptions, including refill status. Through our partner, CVS Caremark, you can save time and money with prescription-by-mail service. Order by phone, online, or via mobile app.

Members may also use Savings Advisor, a free service that lets you know about lower prices on your prescriptions. Details at [Caremark.com](https://www.caremark.com).

PacificSource maintains drug lists to help members get effective medications at the lowest cost. You can search these lists by drug name and therapy class at our website. Check your member ID to see which list applies to your plan.

Dental benefits

To learn if your plan includes dental coverage, log in to [InTouch.PacificSource.com](https://www.pacificsource.com) or contact our Customer Service team. Members with Dental Advantage plans (Idaho and Oregon only) can save by using Dental Advantage Network providers. If your plan is Dental Advantage Essentials, you are covered only when the provider is in the Dental Advantage Essentials network. Washington members can find dental providers at [PacificSource.com](https://www.pacificsource.com).

Preventive care benefits

Your plan includes a host of zero-cost services aimed at keeping you and your family healthy. Routine checkups and immunizations, well-woman and well-child visits, cancer screenings, and other benefits are covered at 100%. Ask your doctor or see our website for details.

How do I pay my premium?

Group (through employer or school):

Premiums are managed by your group's administrator, usually your employer or school administration.

Individual (for only you or your family):

If the insurance policy only covers you or your family, not others in a group, it's considered an "individual" plan. You can pay your bill online and set up automatic payments via InTouch, our online member portal. Visit PacificSource.com and log in to InTouch, then choose "Payment Center."

For other payment options, contact our Billing and Payments Department at **800-591-6549**, or by email: IndividualBilling@PacificSource.com.

How do I get prior authorization?

PacificSource requires approval in advance for certain medical procedures, supplies, and drugs. This is to determine if and how the procedure or medicine is covered under your plan. You can find information on drugs and procedures requiring prior authorization at our website.

Your doctor or pharmacy can request prior authorization from our Health Services Department by mail, email, or fax. If the provider won't request prior authorization for you, contact us and we'll assist with the process.

Prior authorization applies to both in-network and out-of-network providers. A prior authorization does not mean the entire cost of the service will be covered. Your plan's deductible, coinsurance, and copays still apply. If your treatment is not authorized in advance, you may still seek treatment, but you'll be responsible for the expense if it isn't covered under your plan.

How do I submit a claim?

Usually, your provider will submit claims for you. But if you need to fill a covered prescription or see a provider for a covered service, or if you see an out-of-network provider, you can pay them and submit a copy of the provider's itemized statement for reimbursement.

You'll find forms and addresses for submitting claims at our website, PacificSource.com.

How do I submit a grievance or appeal?

Before submitting a grievance, we suggest contacting Customer Service with your concerns. Issues can often be resolved at this level.

You may file a grievance or appeal using forms available at PacificSource.com or from Customer Service. Send it to:

PacificSource
Attn: Grievance Review
PO Box 7068
Springfield, OR 97475-0068

You may also email LC@PacificSource.com with "Grievance" as the subject.
