- The kids are watching! Here are five tips to instill healthy habits for the youngest among us:
1. **By joining the kids in being active, everyone stays active.**
 2. **Involve the kids in the produce aisles; enlist their help with food prep.**
 3. **Be proactive about wellness—lead by example at the doctor's office.**
 4. **Make everyday brushing and flossing essential and fun.**
 5. **Explain the rewards of earning, saving, and budgeting.**

5 Tips for Instilling Healthy Habits Early
